HEADACHE

It is one of the greatest sources of suffering. How many suffer, day after day, this nerve-racking, stomach-aching pain, without thought of its origin?

The cause is never caught by the finger of an ordinary doctor and remedy.

Remedy For Cures of all headaches and migraines, is a powerful remedy for all cases of headache, migraines, neuralgia, etc., and is the only remedy that gives permanent relief.

OUR CITY PLANT.

The public has a right to expect one hundred cents worth of service for every dollar paid in taxes. Since the second yearly payment of taxes on our water and sewer system are now due it seems to us that any suggestion for improvement in the service of the system might now be timely. We have a fine system; we are proud of it. Are we now getting the service from it that we may, or that was intended that we should get? We are not. One of the benefits, which we should get, and which we are not now getting is fire protection. We should before now have received a reduction in the insurance rate, which we have not received. We have the fire hose and the carts, but we have no fire company. This lack should be rectified at once. The pressure pumps at the plant, which were to be used for fire-fighting purposes, have been removed several months to install a different kind. The new ones have never arrived. All this time we have been without the fire protection that it was designed we should have. The delay has been probably unavoidable, but the old pumps should never been removed until the new ones were here. We have had no fires, and for that we should be thankful that we were so fortunate. The light plant has been slow in carrying out its contract for a duplicate plant, which seems to be nearing fulfillment. In the meantime we are anxious that the underwriters' requirements in every particular be complied with so that our insurance will be reduced, and also that we may have the maximum fire protection. We are not offering criticism in the spirit that we believe these delays have not been unavoidable. We know that some of the delays could not be avoided, but we hope that things may be speeded up so that our plant may be rendering 100 per cent efficiency at an early date. We hear complaint of the water on the less used lines caused by the new pipes and the fact that the water is not being used from them rapidly enough. This is always the case with a new system the first year, but this can be corrected to a great extent by more frequent flushing. The News offers this, not in an effort to down the system, but that we may improve the system. The commissioners have had all to contend with that usually comes in getting into smooth operation a big enterprise of any kind. Their labors receive no pecuniary reward. It is a labor of love. The public too must assist. There can be no fire department without the co-operation of the citizens and of the mayor and council. We are all alike responsible for the success of our greatest municipal enterprise. It's your business.

Vacation is over; school begins Monday.

Figuring it this way, it would take just the price of five or six pounds of cotton to buy the News a whole year, 104 issues. Let's trade.

It has come to be the habit with the country when it finds a pretty knotty problem that it can't handle, to leave it to Woodrow. He can do it, and he does.

The News subscriptions have already begun to come thicker. Let's have a regular subscription shower. You have always wanted the News. Do it now. We are the only semi-weekly that sells for \$1.00. The abnormal and ever increasing price of paper and other items is going to force us to advance soon in price. Subscribe for a year, or two years, before we make the advance.

There are just a whole lot of things that a live commercial club could do for this town. Hadn't we better call off the long vacation and get together?

Also Mr. Hughes is finding some Wilson followers as he journeys through the land. He also finds that the public is growing peevish with his kind of campaign. Some have been so curious as to ask: "What would you do, Mr. Hughes?"

The News is not so greedy as to expect to get a year's subscription out of each bale of cotton that is raised in the county this year, but we do hope to exchange a year's subscription for a cotton dollar with each farmer. We'd both be the winner.

NEW COURSE IN SCHOOL

School Will Have Courses in Stenography, Typewriting, Bookkeeping.

The Ashdown High School will be prepared this year to offer courses in Stenography, Typewriting and Bookkeeping. Credit will be allowed for graduation, and all pupils who so desire can elect these courses instead of some other elective course.

The school is unable to provide these courses free of charge, so a tuition fee of \$2.50 will be charged. Tuition will be expected to be paid at the end of each month. Mrs. Dr. May will have charge of this department, and all who expect to take these courses should see her as soon as possible. Why should any one wish to attend a business college when you can get the same work here under an experienced stenographer at a greatly reduced cost? Many young people who are unable to get a college education can get a business education that will fit them for some profitable position. These courses will be open to any persons not enrolled in school. Hours will be arranged to conform with regular work in school.—D. P. Holmes, Supt.

Commissioner's Sale.

D. 1916, in a certain cause No. 909 then pending therein between A. Goldsmith et al complainants, and A. A. Kelsey, deceased et al, defendants, the undersigned as Commissioner of said court, will offer for sale at public vendue to the highest bidder, at the front door or entrance of the County courthouse, in which said court is held in the county of Little River within the hours prescribed by law for judicial sales, on Saturday the 24 day of June, A. D. 1916, the following described real estate to-wit: The east half of the north west quarter of the northwest quarter of the northwest quarter (NW 1/4 of NW 1/4), the southwest quarter of the southwest quarter (SW 1/4 of SW 1/4), the north east quarter of the southwest quarter (NE 1/4 of SW 1/4), NW 1/4 of SE 1/4, all in section 2, township 13 south, range 28 west. Also the west half of the northwest quarter of the southwest quarter (W 1/2 NW 1/4 SW 1/4); the northeast 1/4 of the northwest 1/4 of the northwest quarter (NE 1/4 NW 1/4 NW 1/4); the southwest 1/4 of the southwest 1/4 of the southwest quarter (SW 1/4 SW 1/4 NW 1/4); the south half of the southwest 1/4 of the southwest quarter (S 1/2 SW 1/4 NW 1/4); the southwest quarter of the northwest quarter of the northwest quarter (SW 1/4 NW 1/4 NE 1/4) all in section 1, township 13 south, range 28 west. Also northeast quarter of the southwest quarter of the northwest quarter of section 5, township 13 south, range 28 west. Also one black mule and 50 head of stock hogs, in Little River county, Arkansas. Terms of Sale. On a credit of three months, the purchaser being required to execute a bond as required by law and the order and decree of said court in said cause with approved security, bearing interest at the rate of ten per cent per annum from date of sale until paid, and a lien being retained on the premises sold to secure the payment of the purchase money. Given under my hand this the 23rd day of May, A. D. 1916.—Chas. H. Park, Commissioner in Chancery. 54-S

Confirmation Notice and Warning Order.

Notice is hereby given; That Anderson Freeman has this day filed in the Chancery Court of Little River county, Arkansas, his petition, praying the court to quiet and confirm his title to the following lands in said county, to-wit: The southwest quarter of the northeast quarter, section 3, township 13, range 31 west. Therefore all persons who have or claim any interest in said land, or any part thereof, are hereby warned to appear at the May Term, 1916, of said court and show cause, if any they have, why the title to said land should not be quieted and confirmed in said petitioner. And T. J. Howell, the unknown heirs of E. B. Blair and the unknown heirs of William A. Carter are hereby specially warned to appear within said court and show cause, if any they have why the title to said land should not be quieted and confirmed in said petitioner. Given under my hand and the seal of said court on this the 22nd day of June, 1916.—Chas. H. Park, Circuit and Chancery Clerk. 60 S

CLOSE C. M. E. CONVENTION

Next Meeting Will Be Held at Foreman; Little River Negroes Get Positions of Honor.

Saratoga, Sept. 5.—(Special).—The second session of the Texarkana District Sunday School Convention of the Southwestern Arkansas Annual Conference of the Colored M. E. church, with Rev. W. C. Smith, D. D. of Little Rock, as presiding elder, closed a very successful session yesterday at Harmony C. M. E. church, three miles southwest of Saratoga.

The convention was organized by electing T. E. Thompson of Richmond as vice president; John Easter of Foreman secretary and Melrose J. Starks of Texarkana, recording secretary. Dr. Smith the president of the convention said in his opening address: "I want you delegates to exercise your best deportment. I don't want any of your actions, while you are here to reflect discredit upon this convention. There is an impression in the minds of many of the people in the state that the district meeting of the churches of this state are made up from time to time with a set of delegates whom they style good times, but I want you to set an example here by your good deportment that will offset that impression. Girls, I want you to remember that I am responsible for you while you are here, and I want you to represent by your conduct the type of the best blood of your church that sent you here."

W. S. Murchison of Texarkana was elected chairman of the committee on finance. James A. Bray, D. D. A. M. L. L. D., of Birmingham, Ala., the general secretary of education of the C. M. E. church, was present and rendered valuable assistance to the convention. He preached a strong sermon and delivered a helpful lecture to the convention and the people of Saratoga. Collection for all purposes was \$104.

Next Meeting at Foreman. The next convention will be to Foreman next fall. All of the preachers were present except one, Rev. W. M. White of Ashdown.

Chamberlain's Colic, Cholera and Diarrhoea Remedy.

This is a medicine that every family should be provided with. Colic and diarrhoea often come on suddenly and it is of the greatest importance that they be treated promptly. Consider the suffering that must be endured until a physician arrives or medicine can be obtained. Chamberlain's Colic, Cholera and Diarrhoea Remedy has a reputation second to none for the quick relief which it affords. Obtainable everywhere.

How to Give Good Advice.

The best way to give good advice is to set a good example. When others see how quickly you get over your cold by taking Chamberlain's Cough Remedy they are likely to follow your example. This remedy has been in use for many years and enjoys an excellent reputation. Obtainable everywhere.

CALOMEL IS MERCURY! IT SICKENS! ACTS ON LIVER LIKE DYNAMITE

"Dodson's Liver Tone" Starts Your Liver Better Than Calomel and Doesn't Salivate or Make You Sick.

Listen to me! Take no more sickening, salivating calomel when bilious or constipated. Don't lose a day's work! Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with sour bile crashes into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and "all knocked out," if your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour just take a spoonful of harmless Dodson's Liver Tone on my guarantee.

Here's my guarantee—Go to any drug store and get a 50 cent bottle of Dodson's Liver Tone. Take a spoonful tonight and if it doesn't straighten you right up and make you feel fine and vigorous by morning I want you to go back to the store and get your money. Dodson's Liver Tone is destroying the sale of calomel because it is real liver medicine; entirely vegetable, therefore it can not salivate or make you sick.

I guarantee that one spoonful of Dodson's Liver Tone will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tone will keep your entire family feeling fine for months. Give it to your children. It is harmless; doesn't gripe and they like its pleasant taste.

TEN THOUSAND MILES OF GOOD ROADS FREE

Amendment No. 14 will give you \$50,000,000 worth of permanent roads within five years without increase in your taxation.

This amendment merely permits counties to vote a three mill road tax for thirty, instead of two years, as at present. That is absolutely the only change, and the counties must first vote for it before it can be done.

Read what Wm. B. Owen, Chairman of the State Highway Commission has to say about the proposed amendment:

"The 3 mill road tax brings the state annually about \$1,250,000, or about \$3.47 for each of the 36,000 miles of road. This is not enough to properly fill one mud hole in each mile of road.

"Twenty-five per cent, or 9,000 miles of the State's roads, if properly constructed and surfaced, would accommodate 80 per cent of the population of the State. If the three mill tax was applied to this 9,000 miles, each mile would receive annually \$138.99. This is much better than \$3.47, but if we had 20 years collection of this tax in a lump sum we would spend approximately \$3,777 per mile of road and 80 per cent of the population would be accommodated.

"The adoption of Constitutional Amendment No. 14, would give every county in the state the right to spend \$3,777 and have hard surfaced roads instead of following the old plan of sinking \$3.47 in a mud hole on each mile of road, therefore, I favor the adoption of Amendment No. 14, and the enactment of such laws by the next legislature as will guarantee a dollars worth of road for every dollar to be spent."

VOTE FOR AMENDMENT NO. 14 and Help Build Arkansas.

This is the first opportunity we have had for accomplishing something without an increase in taxes.

It Always Helps

says Mrs. Sylvania Woods, of Clifton Mills, Ky., in writing of her experience with Cardui, the woman's tonic. She says further: "Before I began to use Cardui, my back and head would hurt so bad, I thought the pain would kill me. I was hardly able to do any of my housework. After taking three bottles of Cardui, I began to feel like a new woman. I soon gained 35 pounds, and now, I do all my housework, as well as run a big water mill. I wish every suffering woman would give

CARDUI

The Woman's Tonic

a trial. I still use Cardui when I feel a little bad, and it always does me good."

Headache, backache, side ache, nervousness, tired, worn-out feelings, etc., are sure signs of womanly trouble. Signs that you need Cardui, the woman's tonic. You cannot make a mistake in trying Cardui for your trouble. It has been helping weak, ailing women for more than fifty years.
